**See the *Equipment Manual* for more information.**
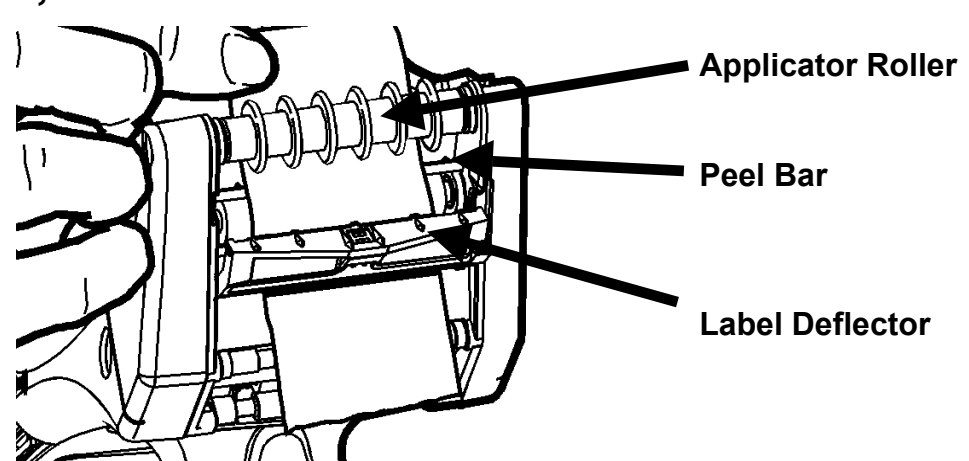

Loading Supplies in Peel Mode

① Turn on the printer and put it into load mode.
6032: Press the Load Key.
6037: Press Function and 0 (zero.)
6039: Select the supply loading option from the display screen.
Or, ask your System Administrator.
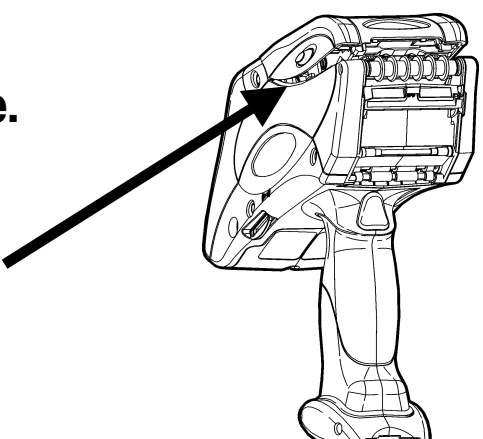

② Press the latch buttons and open the supply cover.

Supply Cover

Latch Buttons
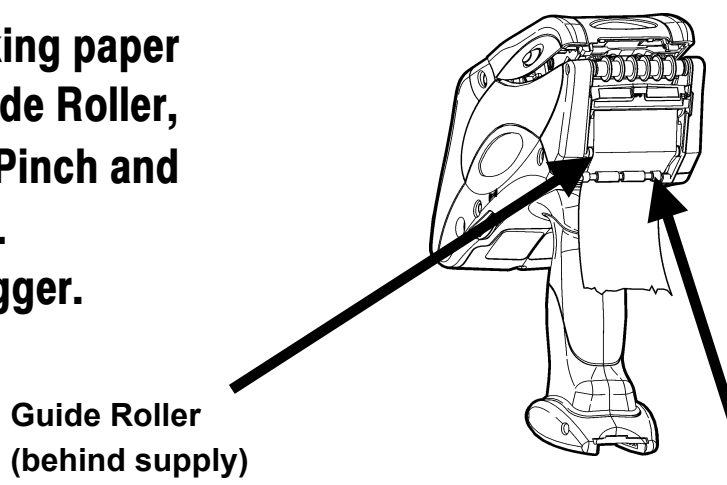

③ Open the spring-loaded supply holder.

④ Insert the supply roll so it feeds from the bottom.
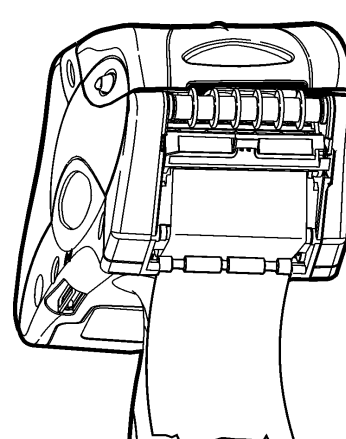

⑤ Peel four inches of labels from the backing paper.

⑥ Pull the Label Deflector down.

Label Deflector

⑦ Feed all four inches of the backing paper *under* the applicator roller, *over* the peel bar, and *under* the label deflector.

Applicator Roller

Peel Bar

Label Deflector

⑧ Push the Label Deflector up until it snaps into place.
⑨ *Partially* close the cover to the first position.

⑩ Pull the backing paper *over* the Guide Roller, down to the Pinch and Feed Rollers.
Press the trigger.

Guide Roller (behind supply)

Pinch and Feed Rollers

⑪ Close the cover and press ESC or return to the previous menu.
