

Monarch® 6015™
Handheld Printer

NOW YOU CAN GET AS MUCH OUT OF YOUR PDA AS YOU PUT INTO IT.

Monarch®

PAXAR

The Power of Identification™

Print receipts, forms and anything else in your Palm™ or Symbol® Organizer quickly and easily.

Here's good news for the more than three million salespeople, distributors, service reps, professionals and executives who use the Palm III Series Organizer or Symbol SPT 1500 scanner. Now there's finally a printer that lets you easily create hard copies of anything in your PDA.

Monarch's 6015™ Handheld Printer is the only one that's compatible with the world's most popular digital assistants.

Together you can use them to quickly generate sales receipts, charge-backs, credit/debit forms, packing lists, inventory status reports and more, right on the spot.

Never again will you waste valuable time creating all these documents by hand. Make no mistake, the 6015 printer can eliminate transcription errors. For more information, call 021 869 97 70, fax us at 021 869 96 02 or visit us on <http://www.3wlbcc.ch/gomaro/>

Monarch® 6015™ Handheld Printer

The only palm-size printer integrated with the Symbol® SPT 1500 and the 3Com® Palm III™ family.

Prints text, bar codes and graphics at up to one inch per second.

Four AA batteries provide enough power to print 100 4" receipts.

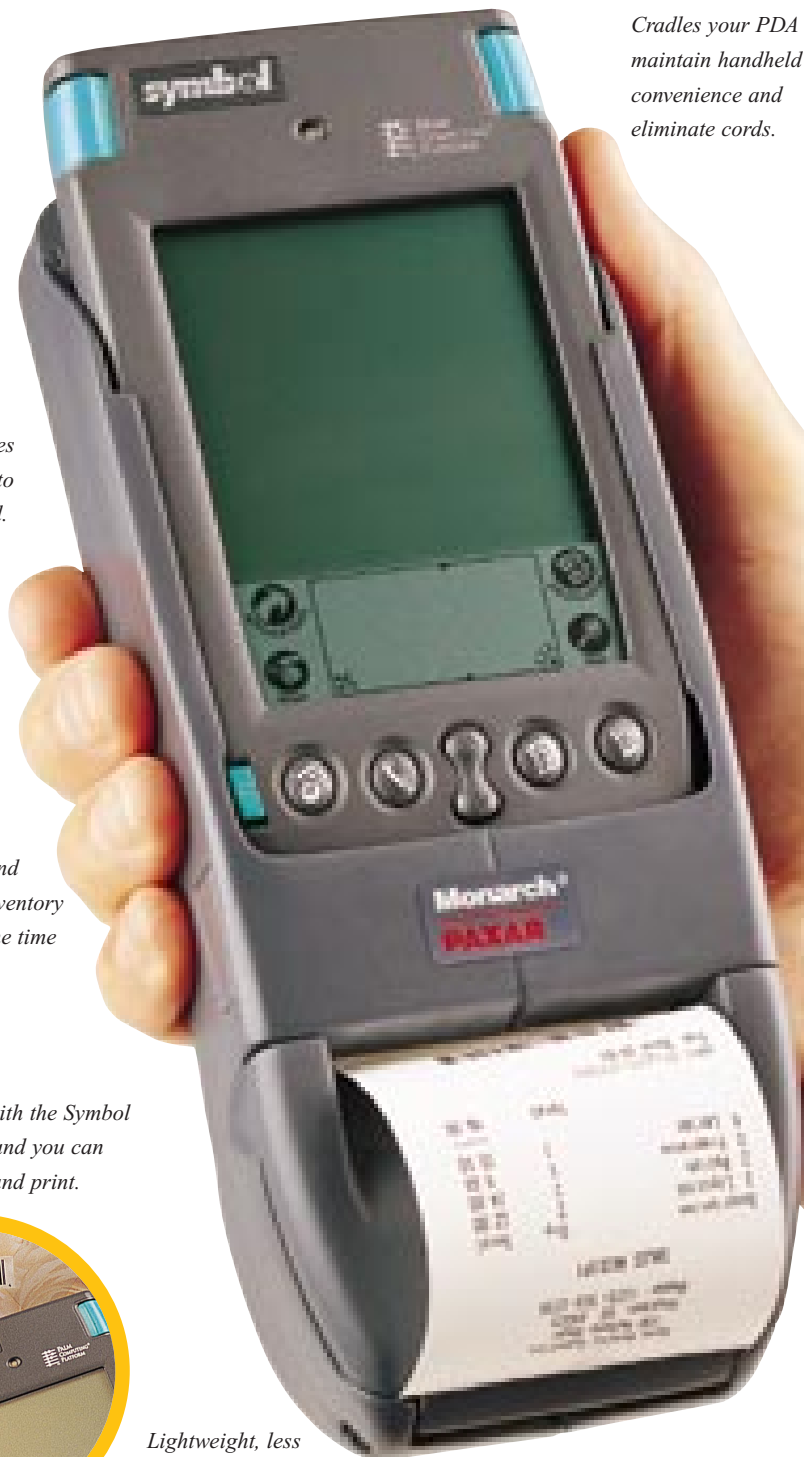

Create sales slips and receipts, or track inventory movement—all at the time of transfer.

Combine with the Symbol SPT 1500 and you can both scan and print.

Lightweight, less than 16 oz. design is easy to take anywhere.

Cradles your PDA to maintain handheld convenience and eliminate cords.

Clamshell design makes reloading a snap.
