Avery Dennison Pathfinder® 6057 Printer

Scan, Print & Apply
One Piece

By combining the processes of scanning, printing and applying into a unique one-piece handheld solution, the Monarch® Pathfinder® 6057 printer helps you significantly reduce the labor hours spent on your most common marking applications. Markdowns/markups

- Receiving
- Store transfers
- Replacement tags
- Item marking
- Remarking

Most customers report cutting marking time by 33-50%!

Designed for You

The one-piece Monarch Pathfinder 6057 printer is recognized for its unique ability to:

- Increase productivity by automating manual information transfers and decreasing marking and re-marking time

- Improve accuracy by eliminating key entry errors

- Save money through enhanced productivity in four key functions: scan, data look-up, print and apply

- Increase sales by helping you accomplish your marking tasks quickly so merchandise is ready to move!

More Efficiency

Touchscreen technology allows you to operate the printer more quickly and efficiently–you don't have to scroll through menus, everything you need is on your screen!

With our state-of-the-art data collection capabilities, you don't need a separate scanner–saving you money on equipment!

Pathfinder 6057:

- **Small, Light**
- **Fast**
- **Modern Design & Functions**
- **1/2 VGA Touchscreen**
- **Virtual Keyboard**

More Programming Flexibility

If you know Windows, you know the Pathfinder 6057 printer! Because it's compatible with Microsoft Compact Framwork or Embedded Visual C++, a Windows programmer can quickly and easily program to the Pathfinder 6057 printer. You save money by creating your own customizable applications using Windows CE.NET version 6.0 R3 operating system and our 1/2 VGA color LCD with touchscreen.

More Connectivity

With enhanced networking and connectivity tools, you can utilize such leading edge packages as Odyssey and Avalanche.

More Memory

Maximize your investment by adding more applications, languages and even videos by utilizing the 256 meg of flash memory and up to 8 GB SD available on the Pathfinder 6057 printer.
